**10**

# The ecosystem

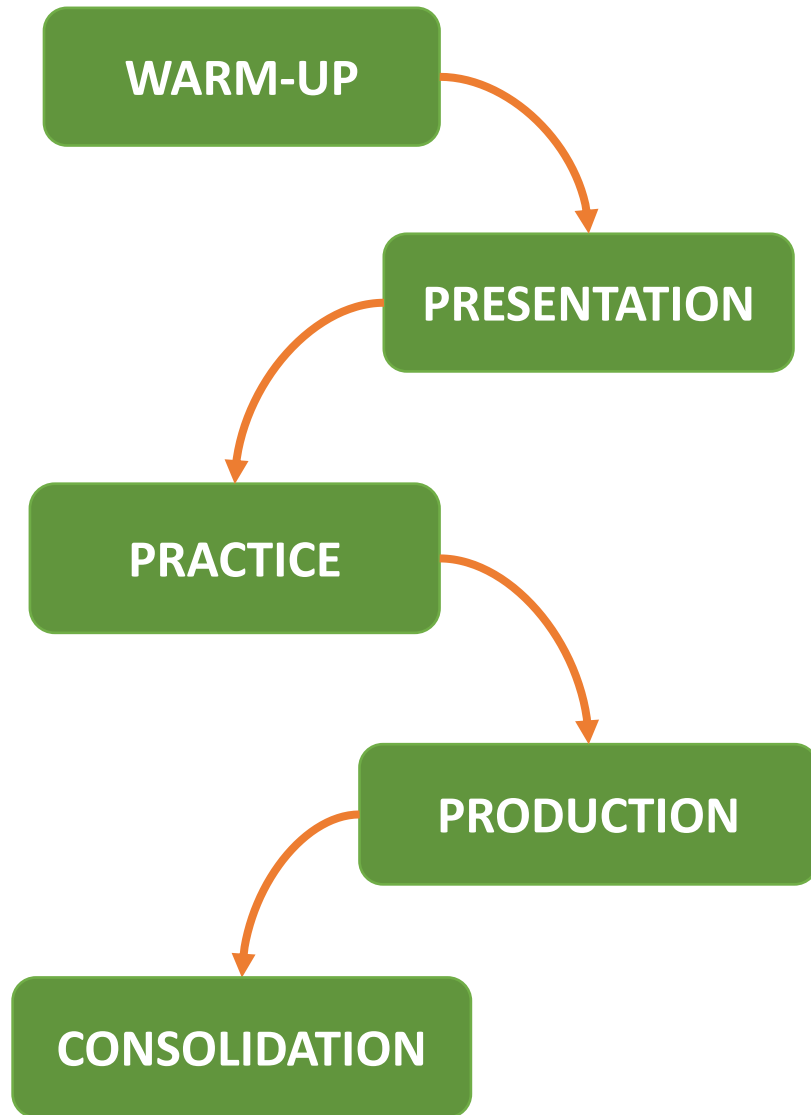

LESSON I

GETTING STARTED

## Humans and ecosystems

## LESSON I

## GETTING STARTED

GAME: Guess the place

Vocabulary

- Task 1. Listen and read
- Task 2. Decide whether these statements are True or False
- Task 3. Complete the diagram
- Task 4. Use the words in the box to form compound nouns mentioned in Task 1. Match them with the meaning below

Role play

- Wrap-up
- Homework

## GUESS THE PLACE

- Play in 2 teams
- There are three clues for Ss to guess the place.
- If one team:
  - + gets the correct answer after the 1<sup>st</sup> clue → get 3 points.
  - + gets the correct answer after the 2<sup>nd</sup> clue → get 2 points.
  - + gets the correct answer after the 3<sup>rd</sup> clue → get 1 point.
- The team with the correct answer is the winner.

# WARM-UP

## CLUE 1

**This landscape forms the habitat for some of Asia's rarest animal and plant species.**

## CLUE 2

**Visitors in April and May have the chance to see thousands of vibrant butterflies.**

## CLUE 3

**This place is located 120 km southwest of Hanoi, and nestled between the provinces of Ninh Binh, Thanh Hoa and Hoa Binh.**
