**F:** I found out about a website that helps you improve your English.

**M:** Who told you about it? Sarah from work?

**F:** (11) Actually I saw an advert during my favourite TV programme, English Fun, the one we used to listen to on the radio.

**M:** I got tired of it. It got so boring.

**F:** (12) It's funny you should say that, but the online radio shows are nothing like that. (13) Their clever advice has really helped me.

**M:** (13) We should tell Ms. Jessica about it. My cousin has a lesson with her today. So do you spend a lot of time on it?

**F:** (14) On Friday I was on it for an hour and a half, yesterday about three quarters of an hour and today maybe I'll find an hour to read some articles.

**M:** Are there articles too?

**F:** Yes, on different levels and some of them also have a video. If you are not sure about your English level, you can ask an online teacher.

**M:** The only way I'd read an article is if I were to watch something about it. (15) So I'm going to contact a teacher on the website and get started.

**F:** Great!
